Outcome

Super-Outcome(s)

**Where they were**

**Where they are now**

**Where they want to be**

**immediately prior**

“what were you doing right before deciding to seek our help?”

**present state**

“where are the characteristics of your current situation?”

**next steps**

“how do you currently plan to get there? —>”

**target state**

“what are the characteristics of the situation you want?”

**further past**

“what got you on your path to begin with?”

**further out**

“why are those characteristics important to you, in the big picture?”
